

Manuela McLean BSc. Dip. Ed NCAS Level 2 Dressage Specialist

Director of the Australian Equine Behaviour Centre

**Two day clinic Sunday 8th & Monday 9th August 2010 at
Ledston Equine Centre, Castleford, West Yorkshire, WF10 2BB**

Manuela McLean has produced and ridden horses to FEI level dressage and advanced Three Day Eventing. Based at the AEBC in Victoria, she is in great demand as a coach all over Australia and has taught alongside husband Andrew McLean in clinics in the UK, Belgium and Denmark..

A national coach of dressage, her focus is on teaching riders how to train and maintain the *correct* basics in their horses, creating a true foundation for higher level dressage and therefore improving the quality of higher level movements. Her students have been successful at all levels up to FEI and she has helped many riders and horses to realise their full potential. Among Manuela's pupils are well-known Australian Grand Prix rider and trainer Kate Boyes, Grand Prix rider and trainer Warwick McLean (currently based in the UK with Kyra Kyrklund) and current New Zealand Grand Prix Champion and Horse of the Year winner, Jodie Hartstone.

Manuela is the co-author of books 'Horse Training the McLean Way' and 'Academic Horse Training' and the co developer of the revolutionary AEBC Science based horse training system

**Progress your riding, training and coaching with the
correct application of Learning Theory (how the horse learns).**

Develop SAFE, EFFECTIVE and ETHICAL horse training.
